PRESIDENTIAL MESSAGES

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DE- CLARED IN EXECUTIVE ORDER 13873 OF MAY 15, 2019, WITH RE- SPECT TO SECURING THE INFOR- MATION AND COMMUNICATIONS TECHNOLOGY AND SERVICES SUPPLY CHAIN—PM 9

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13873 of May 15, 2019, with respect to securing the information and communications technology and services

supply chain, is to continue in effect beyond May 15, 2021.

The unrestricted acquisition or use in the United States of information and communications technology or services designed, developed, manufactured, or supplied by persons owned by, controlled by, or subject to the jurisdiction or direction of foreign adversaries augments the ability of these foreign adversaries to create and exploit vulnerabilities in information and communications technology or services, with potentially catastrophic effects. This threat continues to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13873 with respect to securing the information and communications technology and services supply chain.

THE WHITE HOUSE, May 11, 2021.

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DE- CLARED IN EXECUTIVE ORDER 13611 OF MAY 16, 2012, WITH RE- SPECT TO YEMEN—PM 10

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13611 of May 16, 2012, with respect to Yemen is to continue in effect beyond May 16, 2021.

The actions and policies of certain former members of the Government of Yemen and others continue to threaten Yemen's peace, security, and stability. These actions include obstructing the political process in Yemen and the implementation of the agreement of November 23, 2011, between the Government of Yemen and those in opposition to it, which provided for a peaceful transition of power that meets the legitimate demands and aspirations of the Yemeni people. For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 13611 with respect to Yemen.

JOSEPH R. BIDEN, Jr.
